Dear Dartmouth Friend:

On behalf of the Dartmouth Club of the Midwest, I want to thank you for your ongoing support of the Club's Scholarship Fund Program. Together last year, we raised over \$12,000 towards the ongoing scholarship program. Currently, thirteen students at Dartmouth are receiving assistance through the annual scholarships generated by the ten funds that make up our scholarship program.

There has been over \$1.6 million granted to our regional scholars since the start of this program - entirely from income! Thanks to your efforts and generosity, our scholarship program remains the most successful in the history of Dartmouth.

Thank you for considering a gift of \$25.00, \$50.00, \$100.00 or any amount you feel appropriate. Your support will earn our deepest thanks and, more importantly, will support some of the most promising young people from our region at our beloved "College on the Hill!"
