Dartmouth Club of the Midwest

2006 Dartmouth Cup

Dartmouth Club of the Midwest Scholarship Fund

On behalf of the Dartmouth Club of the Midwest, thank you for your continued support of the Club's Scholarship Fund Program. Together last year, we raised over \$12,000 towards the ongoing scholarship program. Currently, 14 students at Dartmouth are receiving assistance through the annual scholarships generated by the ten funds that make up our scholarship program.

Over \$1.6 million has been granted to our regional scholars since the start of this program - entirely from income! Thanks to your efforts and generosity, our scholarship program remains the most successful in the history of Dartmouth.

Thank you for supporting this award and playing in this year's Dartmouth Cup. Your support will earn our deepest thanks and, more importantly, will support some of the most promising young people from our region at our beloved "College on the Hill!"

Best regards,

Douglas P. Fulton '85

Welcome to our New Scholar

William M. French III '08 (Plymouth, MN) (Vaughan) is a double-major in History and Asian and Middle Eastern languages and literature. Last summer, he participated in the Beijing Foreign Study Program (FSP) where he studied Chinese language and culture. He said, "My Chinese classes have been the most influential to me. They have shown me a world very different from America and the West. I feel it is very important to understand other cultures."

About Chaska Town Course

Designed by renowned golf course architect Arthur Hills, Chaska Town Course sprawls over 285 acres of oak groves, open prairie, and marshlands. Lush bent grass covers the playing area from tee box to green. Chaska Town Course is owned and operated by the City of Chaska. Prior to opening in 1997, then Chaska Mayor Bob Roepke emphasized Chaska's commitment to quality golf, "Our vision is that Chaska will be home to both the best private (Hazeltine National) and the best public courses in Minnesota."

The St. Paul Pioneer Press in reviewing the Town Course confirmed that commitment, "Chaska has the feel of a Hazeltine spill-over course; ... tough enough to be used in conjunction with the nearby Hazeltine National for some big-time, big-field event that requires more than one course." That vision has become a reality for Chaska as Hazeltine National Golf Club and Chaska Town Course co-hosted the National Amputee Tournament in 2003 and look forward to jointly hosting the United States Amateur in 2006.

Chaska Town Course has been the recipient of numerous awards: Voted Fourth Best New Public Golf Course in the Country-Golf Digest 1998, Voted Top 10 Best Golf Courses in Minnesota-Golf Digest 2001-2003, Rated a Four Star Best Places to Play-Golf Digest 2002-2003. Chosen as Minnesota's best public access course for - Minnesota Golf Guide 2003.
